

# 2024 International Conference on Social And Sustainable Innovations In Technology and Engineering SASI-ITE'24

23-25, February, 2024

**THEME: EMPOWERING FUTURE WITH VERSATILE TECHNOLOGIES**

Technically Cosponsored by  
**IEEE Vizag Bay Section**

## **CALL FOR DEMO & EXHIBITS**

A Technical Program of SASI-ITE'24

### **Demo & Exhibits Proposal Submission**

- Demonstrations from the academia, industry and government are welcome. The demonstrations are not limited to papers being presented at the SASI-ITE'24 conference.
- We also welcome sustainability related work that was published at other premier conferences and the demo falls within theme of the Conference.
- Prospective demo participants should fill out and submit the Application Form with information on the demos, a list of requirements (e.g., space, power, internet) and links to potential videos.
- All submitted demo proposals will be reviewed and decisions will be based on the degree of appropriateness and quality for SASI-ITE'24.
- Kindly note that the display and marketing of commercial products must be arranged as part of the sponsor/exhibition program. Demos on the other hand are free of charge.

### **Awards & Best Demo**

- If you are selected to be a demo participant, a voting process (for the best participant) will take place on the day of your demonstration.
- The winners will be announced at the SASI-ITE'24 conference valedictory stage.
